## The Basics

Here's what you need to know, Our FAQ, Policies, Fees and More to get started.

### What Is Ecommerce?

Electronic Commerce (Ecommerce) Is The Trading Of Goods And Services On The Internet. Learn About The Advantages And Disadvantages Of This Selling Channel On Google.

### How Much Does It Cost To Sell On BMSMA?

To List Your Products And Start Selling Are Entirely Free On Our Marketplace, However Kindly Note That Once Your Item Sells, We Charge A Final Value Fee Of 20% As Administrative Commission.

### How Am I Charge This Commission?

Each Commission Are Automatically Deducted From Your Final Sales Product Price Which Is Excluding Your Set Shipping Fee.

### What's The Best Way To Send My Item?

We'll Help You Pick Which Delivery Methods You Can Setup Based On How Others Send Similar Items. By Offering More Than One Delivery Option, You'll Be Able To Attract Different Types Of Buyers. However, You Are At Liberty To Setup Your Shipping And Delivery Fee.

### Who Send Products To My Buyers?

BMSMA is a registered company with policy and integrity to protect; hence we are strict to how our sellers package their product for final sending. Every seller are expected to print our logo which will be send via your seller dashboard, package the product and attached the sticker logo before sending out to buyers.

### What To Do Before & After Sending Products?

Before sending each product, kindly approve the order from your dashboard, package the purchase and snap clearly for upload to the BMSMA administrator for payment approval then you send for delivery. After delivery, kindly wait for 24hours for payment sent to your account.

### Can I Sell Locally On BMSMA?

You can! When creating your listing, just enter your product choice of delivery.

### How Will The Buyer Pay For My Item?

Payment on our marketplace happens automatically. We'll help you determine what payment method you wish to accept upon listing your item. To help provide a safe experience, we only allow payment methods that offer strong protection for buyers and sellers.

### How Should I Choose My Listing Price?

You are required to enter your preferred selling price, shipping cost and we recommend adding the administrative commission to your final sales price for your maximum profits.

### How Does BMSMA Protect Sellers?

We understand that things can happen that are out of your control as a seller. When they do, we have your back. We protect you against abusive buyers, don't make changes to the terms for your listing, and investigate sales issues to ensure fair outcomes for both sides.

### What Can I Sell On BMSMA Marketplace?

You can sell almost anything, from homemade goods to used or unused items from your closet. We do restrict items that violate any laws, or infringe on intellectual property.

### How Do I Create An Account?

To get started, select sign up and fill the vendor registration form accurately. We'll help you create and verify your account within 24hours, and after you successfully login, set up your store details, payment information when logged into your seller portal. You'll receive a congratulatory message on your email after approval.

### How Do I Create And List Product?

To get product listed, select create product from the dashboard, and enter all details of your product accurately.

### How Many Product Image Can Be Uploaded?

Kindly Note We Accept Only Maximum Of 5 Images Of Product Per Listing.
